

iFUEL® Mobile App Privacy Policy

iFUEL® Mobile App Privacy Policy

The web site, app and other digital assets are owned and operated by IOTIQ Pty. Ltd.

The web site, app and other digital assets are owned and operated by IOTIQ Pty Ltd and will be referred to as "We", "our" and "us" in this Privacy Policy. By using any digital asset, site, or our services, you agree to this Privacy Policy and our services ("the web site"), which is set out here. The Privacy Policy relates to the collection and use of personal information you may supply to us through your conduct on the web site, use of our app, console or online systems.

We have a commercial arrangement with Go Industrial Pty Ltd and iFUEL® whom have our permission to offer the services. Any reference to "We", "our" and "us" in this Privacy Policy refers, at our discretion and convenience, to either, any, each or both parties.

By using any digital asset, site, or our services, you agree to this Privacy Policy and our services ("the web site"), which is set out here. The Privacy Policy relates to the collection and use of personal information you may supply to us through your conduct on the web site, use of our app, console or online systems.

We reserve the right, at our discretion, to modify or remove portions of this Privacy Policy at any time. This Privacy Policy is in addition to any other terms and conditions applicable to the web site app or services. We do not make any representations about third party web sites that may be linked to the web site and our other systems.

We recognise the importance of protecting the privacy of information collected about visitors and their activity within our services, in particular information that is capable of identifying an individual ("personal information"). This Privacy Policy governs the manner in which your personal information, obtained through our systems, will be dealt with. This Privacy Policy should be reviewed periodically so that you are updated on any changes. We welcome your comments and feedback.

By using our website, installing our app, or logging in to any iFUEL® Mobile system you agree to our Terms and Conditions and this Privacy Policy.

iFUEL® Mobile App

Privacy Policy

Personal Information

1. Personal information about visitors to our site is collected only when knowingly and voluntarily submitted. For example, we may need to collect such information to provide you with further services or to answer or forward any requests or enquiries. It is our intention that this policy will protect your personal information from being dealt with in any way that is inconsistent with applicable privacy laws in Australia. Personal information includes details about you, your name, your contact information and phone number. Other information, not relate to your private information is deemed as commercial information.

Use of Information

2. Personal information that visitors submit to our site is used only for the purpose for which it is submitted or for such other secondary purposes that are related to the primary purpose, unless we disclose other uses in this Privacy Policy or at the time of collection. Copies of correspondence sent from the web site, that may contain personal information, are stored as archives for record-keeping and back-up purposes only.

Collecting information on Registered members

3. As part of registering with us, we collect personal information about you in order for you to take full advantage of our services. To do this it may be necessary for you to provide additional information to us as detailed below.

4. **Registration**
Registration is completely optional. Registration may include submitting your name, email address, address, telephone numbers, option on receiving updates and promotional material and other information. You may access this information at any time by logging in and going to your account.

Credit Card Details

5. Credit Card details are only stored for the processing of payment and will be deleted once payment is processed. At times you may offered to and subsequently agree to have your credit card details retained by our automate subscription billing service. At such time we reserve the right to maintain your credit card information until such time as your subscription ends or you terminate your subscription, or make another payment arrangement with us.

iFUEL® Mobile App Privacy Policy

Disclosure

6. Apart from where you have consented or disclosure is necessary to achieve the purpose for which it was submitted, personal information may be disclosed in special situations where we have reason to believe that doing so is necessary to identify, contact or bring legal action against anyone damaging, injuring, or interfering (intentionally or unintentionally) with our rights or property, users, or anyone else who could be harmed by such activities. Also, we may disclose personal information when we believe in good faith that the law requires disclosure.

7. We may engage third parties to provide you with goods or services on our behalf. In that circumstance, we may disclose your personal information to those third parties in order to meet your request for goods or services.

Security

8. We strive to ensure the security, integrity and privacy of personal information submitted to our sites, and we review and update our security measures in light of current technologies. Unfortunately, no data transmission over the Internet can be guaranteed to be totally secure.

9. However, we will endeavour to take all reasonable steps to protect the personal information you may transmit to us or from our online products and services. Once we do receive your transmission, we will also make our best efforts to ensure its security on our systems.

10. In addition, our employees and the contractors who provide services related to our information systems are obliged to respect the confidentiality of any personal information held by us. However, we will not be held responsible for events arising from unauthorised access to your personal information.

Collecting Information from Users

11. IP Addresses

Our web servers gather your IP address to assist with the diagnosis of problems or support issues with our services. Again, information is gathered in aggregate only and cannot be traced to an individual user.

iFUEL® Mobile App Privacy Policy

12. Cookies and Applets

We use cookies to provide you with a better experience. These cookies allow us to increase your security by storing your session ID and are a way of monitoring single user access.

This aggregate, non-personal information is collated and provided to us to assist in analysing the usage of the site.

Access to Information

13. We will endeavour to take all reasonable steps to keep secure any information which we hold about you, and to keep this information accurate and up to date. If, at any time, you discover that information held about you is incorrect, you may contact us to have the information corrected.

14. In addition, our employees and the contractors who provide services related to our information systems are obliged to respect the confidentiality of any personal information held by us.

15. From time to time we may use the data stored within our system for analytical purposes. Any data left on our system by you at the termination of the service becomes our property, unless you expressly instruct us to remove the data. We reserve the right to use the commercial data within the system to our commercial advantage as long as personal information is excluded.

Links to other sites

16. We provide links to Web sites outside of our web sites, as well as to third party Web sites. These linked sites are not under our control, and we cannot accept responsibility for the conduct of companies linked to our website. Before disclosing your personal information on any other website, we advise you to examine the terms and conditions of using that Web site and its privacy statement.

Performance

17. We may remotely monitor the performance of our app and other systems to generate detailed support information. Under certain circumstances we may use this information to improve our app and service to you. Under extreme conditions we may need to contact you or your users to resolve certain support issues, and you agree to us contacting you under these circumstances from time to time.
